Dear GreenPower,

Thank you for the reminder we fully support the rule change for community generators as per our submission made last year.

However, we think the classification of not having an investor owning over 20% may exclude future projects with an impact investor or underwriting facility.

Regards, Taryn Lane

Subject: Consultation - Draft GreenPower Program Rules Version 10

To:

Dear GreenPower Generator

The Draft GreenPower Program Rules Version 10 has been released for consultation on the GreenPower website. See the following link:

[GreenPower Program Rules Version 10 for consultation](#) or navigate to the "News" section of the GreenPower website.

Stakeholders are invited to provide written feedback on the proposed changes by **Friday 29 January 2016** to [greenpower.admin@industry.nsw.gov.au](mailto:greenpower.admin@industry.nsw.gov.au).

Please note that the consultation document on the website contains an error in the first dot point on pg.42. This will be amended on the website in the first week of January.

**The attached version is the correct version.**
